Show Home Launches At Melville Gardens In Beith

The show home at Laurel Homes Melville Gardens development in Beith has officially opened. The 42 new semi-detached and detached family homes are the first new homes to be built in Beith in 10 years, which has resulted in 40% of homes being sold or reserved since it launched in March.

The 3 bedroom detached show home has views across the Garnock Valley and the light, airy interior has been designed to make the most of the natural light, which can be attributed to its south-facing position.

Prices start from £139,000 for a 3 bedroom semi-detached home.

Melville Gardens show home and sales office is open Thursday – Monday from 11am – 5pm. Further details are available from Sales Executive Catherine Dicristina on 07522 229 775 or email melville@laurelhomes.co.uk
